SHEARER & WOOL HANDLER TRAINING

2026 Upcoming Shearer Training Courses in NSW

Novice Shearing & Wool Handling Course: This is a 5-day or a 10-day practical shearing & wool handling course for new entrant shearers to learn the skills required to be a professional shearer.

Improver School: This training is intended for those already working in industry and have experience in shearing. Limited spots available, please register your interest for the course.

All courses are fully funded by AWI and available for participants that meet certain criteria, please register your interest for the course, we will be asking for a $250.00 payment via Eventbrite prior to the course if selected.

If you are interested in attending any of the above courses, please contact Craig French craig.french@wool.com NSW novice courses.
